

Erratum August 2009

An Educational Package for General Practice (Third Edition, November 2008)

The authors have reviewed and updated two sections of text in the third edition of the Educational Package for General Practice.

1. An error consisting of an incorrect quote from the Cochrane Review on Screening for Breast Cancer with Mammography (2006) on page 25 has been corrected.
2. Text in relation to interval cancers on page 20 leading to interpretation difficulties has now been revised.
